Dear Minister Fleming:

Re: Funding

Our school district is requesting approval to underspend our targeted Aboriginal Education amount for the 2017-18 school year in an amount up to \$125,856.

Approval is requested for a variation of direction under section 106.4 (2) of the School Act. Our district understands that any underspent funds from 2017-18 will be added to the 2018-19 school year Aboriginal Education targeted amounts to be expended on Aboriginal Education Programs.

Yours sincerely,
